

ELEMENTS FOUND ON ONE OF THE CASCADES DESKS

ITEMS FOUND ON ONE OF THE CASCADES DESKS. INSPECT THE DESKTOP PHOTO TO FIND THE ID

Even before founding Cascades in 1978, the Lemaire family had a vision of green living. Sustainable development wasn't yet a way of life, but these pioneers shared a deeply held belief in the importance of saving, recovering and recycling for the good of the environment and society. The profit-sharing program's establishment by Bernard Lemaire hands over the presidency to his brother Laurent
